Gas, YB96.238-239

- ACCC, role of, YB04.364–5, YB04.370–1, YB04.376–9, YB04.387–8
 - Western Australia, YB04.381
- access arrangements, YB04.183
 - application procedure, YB04.207–8
 - assessment, YB04.394
 - essential facilities doctrine, application of, YB04.203, YB04.205
 - MCE recommendations, YB04.417
 - provider has no excess capacity, YB04.208–11
 - risk of coverage, YB04.390–2
 - vertical integration, YB04.206
- access to upstream facilities, *see* **Access to upstream facilities**
- AGL Letter of Agreement, YB04.389
 - Australian Energy Market Commission (AEMC), YB04.370, YB04.372–4
 - Australian Energy Regulator (AER), YB04.370, YB04.375–6
- characteristics of Australian markets, YB99.196-197, YB99.210-211
- coal seam gas extraction, impact on coal mining (Qld), J00.6-7
- contract (New Zealand), *see* **Gas Contract heads of Agreement**
- coverage, YB04.408–9
 - risk, YB04.390–2, YB04.406, YB04.410
- distribution of reserves and pipelines, YB99.212
- Eastern Gas Pipeline, YB04.389, YB04.390, YB04.420
- gas-fired power generation, YB00.283, YB00.305
 - advanced gas turbine combined cycle, YB00.295-296
 - capital costs, YB00.290
 - emissions, YB00.291
 - fuel cells, YB00.296-297
 - new technologies, YB00.295-297
- joint marketing, *see* **Joint marketing**
- joint ventures, YB04.418–20
- limitations on storage, B95.82
- liquefied natural, *see* **Liquefied Natural Gas (LNG)**
- Longford gas explosion, YB99.295
 - causation, YB99.311-314
 - defence and cross-claim, YB99.310-311
 - loss or damage caused, YB99.314
 - misleading and deceptive conduct, YB99.304, YB99.306-309
 - representative proceedings against Esso, YB99.295, YB99.302-314
 - statement of claim, YB99.306-310
 - statutory liability, YB99.302-314
- maritime transportation, YB04.282–3
 - Mereenie Producers, YB04.388
 - Ministerial Council on Energy (MCE)
 - establishment, YB04.388
 - role of, YB04.369–70, YB04.388–9
 - monopoly power, abuse of, YB04.358
 - Moomba-Adelaide Pipeline System (MAPS), YB04.396–8
 - Moomba-Sydney Pipeline System (MSP), YB04.390–2, YB04.400–3
 - National Competition Policy, YB04.359–61
- national framework, COAG recommendations, YB94.265

National Gas Pipelines Advisory Committee (NGPAC), YB04.365, YB04.378

National Third Party Access Code for Natural Gas Pipeline Systems, YB04.386–7

- access arrangements, assessing, YB04.394
- conflicting considerations, YB04.393–4
- industry regulation, YB04.405
- objects clause, YB04.411
- principles, YB04.219–20, YB04.412–13
- Productivity Commission Review, YB04.403–8, YB04.420
- recommendations, YB04.408–13
- purpose, YB04.393
- Regulator, discretion of, YB04.395–6

National Third Party Access Regime for Natural Gas Pipelines, YB04.386–7

- rationale, YB04.403

natural gas, definition, YB99.179

North West Shelf Project, YB04.388

- optimised replacement cost (ORC), YB04.400
- contingency, YB04.402
- parameter risk, YB04.406–7, YB04.410–11
- Parer Report, YB04.389, YB04.404, YB04.413–15

Petroleum Act 2000 (SA), regulation by

- security of supply, YB00.564–566
- third party access provisions, YB00.574–576
- storage reservoirs, YB00.574–576
- transmission pipelines, YB00.574
- underground storage, YB00.567, YB00.578

pipeline, definition, YB99.178–179

pipeline transportation favoured over liquefaction, B95.82

Pohokura gas field, *see* **Pohokura gas field**

- pricing regulation, YB04.219, YB04.222, YB04.408–9
- capital base issues, YB04.219–22
- Moomba-Sydney decision, YB04.220–2
- privatisation and deregulation, YB04.182, YB04.359

reform in Australia, YB99.196

regulation, YB04.357, YB04.364–5, YB04.371, YB04.379, YB04.386–8, YB04.405–7, YB04.420–1

- access code, *see* **National Third Party Access Code for Natural Gas Pipeline Systems**

above

- asymmetric truncation, YB04.407, YB04.410–11
- COAG Energy Markets Review recommendations, YB04.367–8, YB04.416
- efficiency, promotion of, YB04.358
- evolution of new regime, YB04.368
- existing regime, YB04.359
